### Be inspired, get involved, SUPPORT LAUMEIER with a DOG MEMBERSHIP!

Laumeier Sculpture Park is a non-profit, accredited contemporary art museum that operates in an advantageous partnership with St. Louis County Parks.

It is individual donations and gifts in the form of membership that are crucial to the presentation of exhibitions, educational programs, public programming and stewardship of the outdoor collection.

The 105 acres of Laumeier are open to the public 363 days a year; dogs on leashes are welcome 360 days a year. *Yappy Hour!*, an engaging, entertaining and educational series of public programs designed for dogs to attend with their companions, was launched in June 2011. For the safety of your pet, dogs are not permitted to attend large public programming like Art Fair and Music+Movies.
